Hello, Time Travellers!

Guess where I've just come back from! No, you're wrong – well, just a bit. I've been to a planet where the people have no mouths! Ha! Can you imagine having no mouth? Think of all the things you would miss out on, like singing, eating sweets and telling your friends rubbish jokes! It turns out that they eat, sing and laugh through their ears! I said to one of them: "That's a bit weird!" But they were halfway through their breakfast and didn't hear me!

WHAT'S NEW IN THE DOCTOR'S UNIVERSE?

WHO'S WHO?

The Doctor

Played by Matt Smith

He travels through time and space fighting monsters!

Amy Pond

She's Amy and Rory's daughter, grown up!

POND LIFE

THE GANG HEADS TO A COOL CONVENTION!

Comic-Con is a brilliant convention where film, TV and comic fans and stars gather in San Diego, USA, for loads of fun. This year saw **Matt**, **Karen** and **Arthur**, along with showrunner **Steven Moffat** and Exec Producer **Caroline Skinner**, talk with *Who* fans! They all had a hoot, but talk of the Ponds' big farewell revealed how sad everyone is!

It's a climactic, fitting and brilliant end to what are my two favourite companions.

MATT

You're actually ending a real-life experience. It was genuinely, properly sad.

STEVEN

I didn't stop crying for two weeks.

KAREN

We've loved the way the dynamic between the three of us has developed.

ARTHUR

Boo hoo! You will all be weeping!

STAR IN THE MAG

TELL US YOUR MEGA MOMENT!

We love hearing about your favourite bits from *Doctor Who*. Email us at dwa@bbc.co.uk and tell us your **best moment** and why you love it so much. Include your picture, too, and we'll feature the best ones! How cool is that?

They're all your best bits, surely?

hot

Top goss from the cool Comic-Con!

Matt, Karen and Arthur are such brilliant mates!

Sneaky bits of gossip about the new series!

SUITS YOU!

No wonder I smell like parps!

Waah!

Spare a thought for the super-talented performers under the **alien suits** in your fave adventures! We hear that the **Judon** outfits are so heavy at the top that you could **fall over in them!** Also, the **Slitheen** costumes are incredibly **spongy and sweaty**. We don't fancy trying them on. Urgh!

TARDIS TREND TRACKER

It's a sad reminder that Amy and Rory are leaving!

HAHAHA!

What is a Sontaran and an Ood's favourite bird?

A bald eagle!

We hope it isn't too sad! We still haven't recovered from when Donna left!

MRS TINKLE & NERVIL

NERVIL ARRIVES AT WORK.

Mrs Tinkle! This place is a pigsty!

There are even pigs in it!

Sorry, dearie!

OINK!

OINK!

You know I don't like him coming round here!

Dalek Sec Hybrid popped round and we've been trying to make pig slaves all afternoon!

The quickest way to tidy the office was to **genetically mutate** some piggy servants, but it all went a bit wrong!

OINK! OINK!

SQUEEEEEEE!

Don't worry, I know where these little guys can get jobs...

Wait a minute! What's that in your pocket?

Oh, that's nothing...

That's a **Graske riding saddle**! You've been creating an army of pig slaves for those little terrors to ride!

No, I haven't!

What's that then?

You can't pull the wool over my circuits, dearie!

SO...

OINK! OINK! OINK!

After you've given them all piggybacks to say sorry, we'll find them new homes.

Harrumph!

And it's the pork chop for you, Sec! You're fired!

THE INTERGALACTIC TRIALS

WORDS LUNE PATON

ART JOHN ROSS

COLORING ALAN CRABBOCK

THE INTERGALACTIC
TRIALS, 2412.

Can you believe *these seats*, Ponds? I've been coming to the Intergalactic Trials for *nearly 500 years*, practically *invented* it, and I've never had seats as *bad* as this before!

You mean, you actually *understand* what is going on here?

It's *simple*. People come from *all over* the universe to compete in *alien sports* to see who's best.

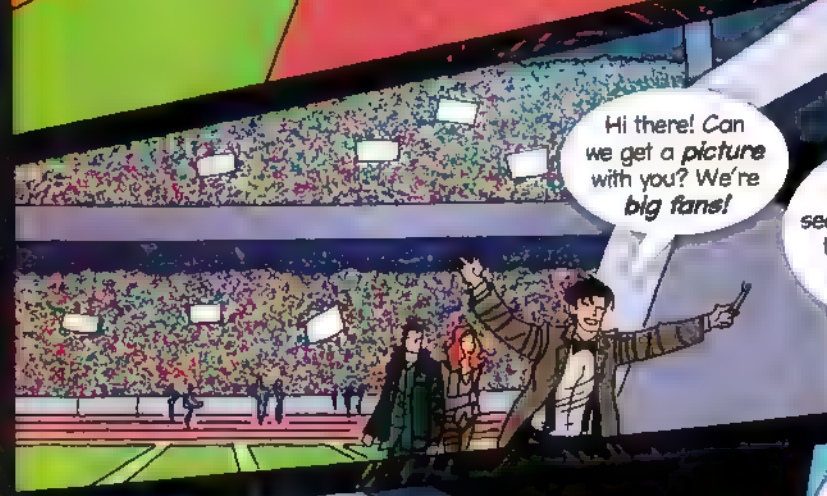

And the *Galapogans* are doing *unusually well* this year.

Something's *not right* here. Let's take a *closer look*.

Normally, the Galapogans are rubbish at everything, but not today. Let's have a word.

Are you sure that's a good idea, Doctor? They look huge!

Hi there! Can we get a picture with you? We're big fans!

Can't you see we are about to win? Do it quickly!

That's it, perfect. Get a little closer, Amy, they won't bite! I just need to focus my new camera...

VREEEEEE!

They might not bite, but they do stink!

A-ha! Just as I thought. The Galapogans' muscles are pumped full of an illegal substance called mediposphide. That's why they're winning!

He knows, Captain! He knows we're cheating!

Shut up, you fool, and get him!

We will be the **laughing stock** of these Trials no longer. You cannot stop us from becoming **champions!**

SWING!

Don't let them **escape!**

Now might be a good time to **run, Ponds!**

Come on, **Rory!**

SMASH!

Can't we just **talk** about this? No?

Amy, alert the **Th1ats Task Force** as fast as possible!

Hey! Help us! The **Galap-thingies** have gone off the rails!

Oh no, you **don't!** You'll have to go through **me** first!

That won't be a **problem**, puny human.

SWISH!

Gulp!

TIME IS RUNNING OUT
FOR OUR HEROES!

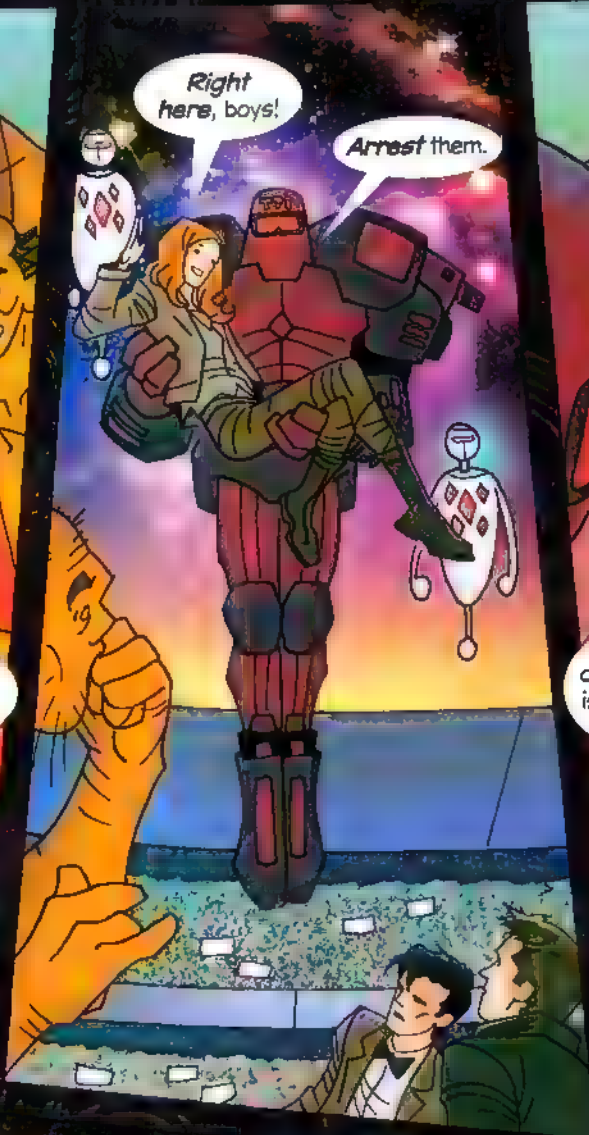

Any more
bright ideas,
Doctor?

Er, no, not
really. *Hurry
up, Amy!*

Right
here, boys!

Arrest them.

The
Galapogans are
disqualified from
the Trials.

We were
only doing what
is *best* for our
species!

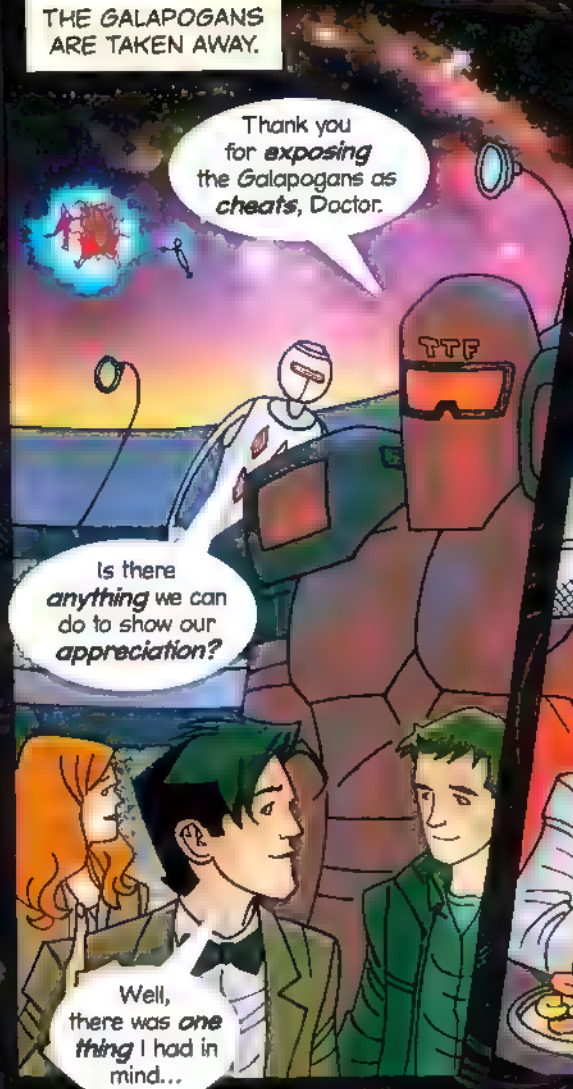

THE GALAPOGANS
ARE TAKEN AWAY.

Thank you
for *exposing*
the Galapogans as
cheats, Doctor.

Is there
anything we can
do to show our
appreciation?

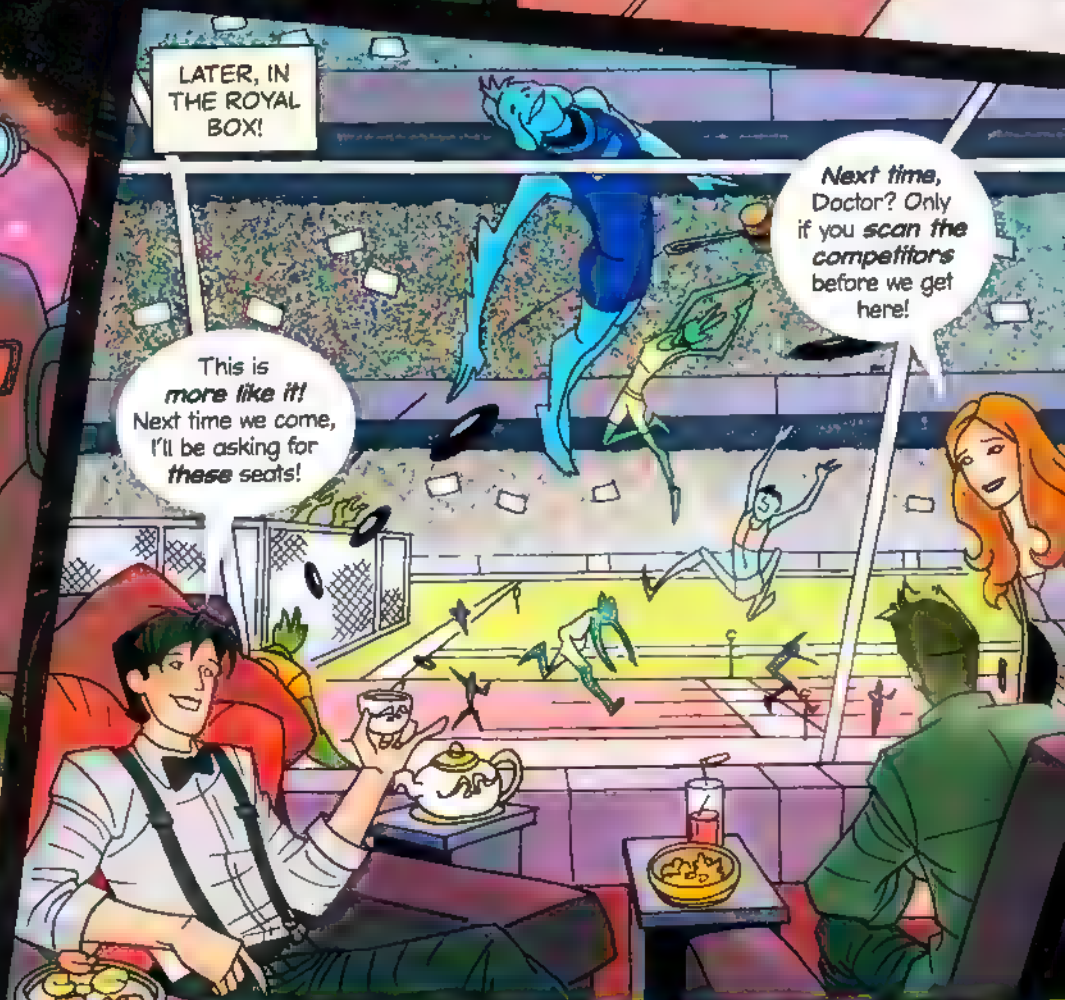

Well,
there was *one
thing* I had in
mind...

LATER, IN
THE ROYAL
BOX!

This is
more like it!
Next time we come,
I'll be asking for
these seats!

Next time,

DOCTOR WHO SECRETS WEREWOLF BREAKOUT!

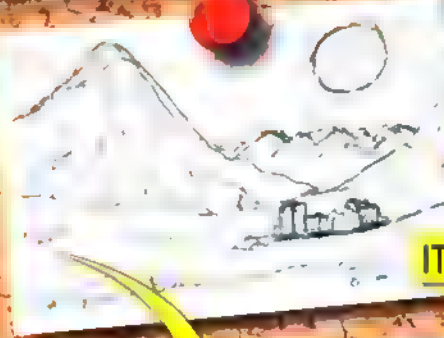

ORIGINAL
STORYBOARD
SECRETS!

Tooth and Claw (2006)

In the light of a full moon, the Host turned into a bloodthirsty Werewolf, hungry for a bite of Queen Victoria!

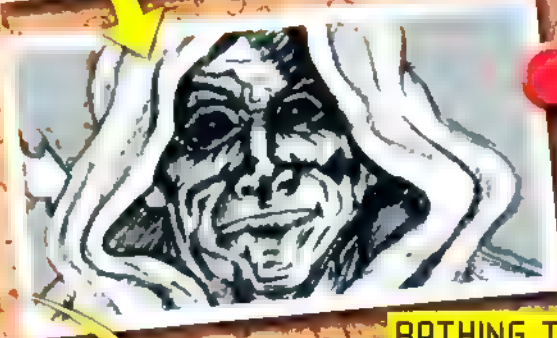

Before the Who crew filmed this scary scene, the action was mapped out on these storyboards!

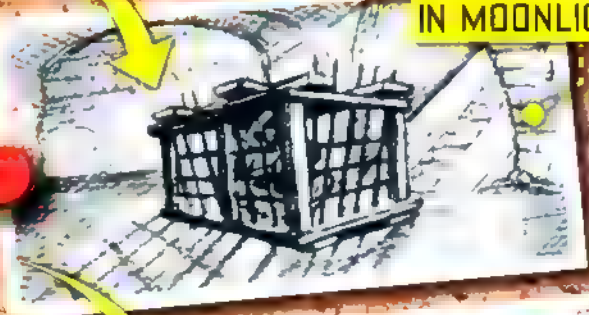

IT'S A FULL MOON!

THE MONKS OPEN THE HATCH

BATHING THE HOST IN MOONLIGHT

HE BEGINS TO TRANSFORM...

INT. SIR ROBERT'S HOUSE,
CELLAR, 1905

The cellar doors are flung open by monks up above. And shining through: the moon, its light slanting across the floor, on to -

THE HOST
Moonlight...

He's ecstatic, pulls off his rags, holds out his arms - joyous. He starts to glow. Light filling him. CU his smiling face, suffused with cold light.

CUT TO the PRISONERS. Terrified! ROSE looks at the chains:

ROSE
All of you, stop looking at him! Flora, don't look, listen to me - grab hold of the chain, and pull! Come on! With me! Pull!

She starts to yank on the big chain. The light-filled HOST is glowing, and starting to change shape, growing, bones cracking - His face starts to elongate - ripping into a maw!

TRUE OR FALSE?
Werewolves love mistletoe.

TRUE ☐
FALSE ☐

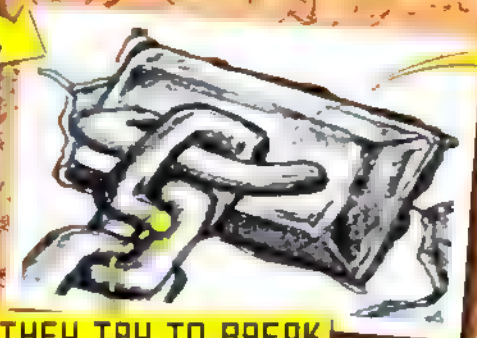

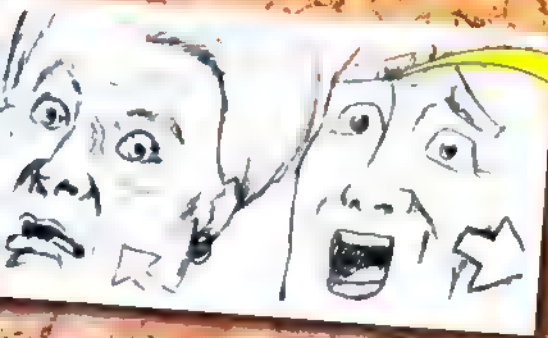

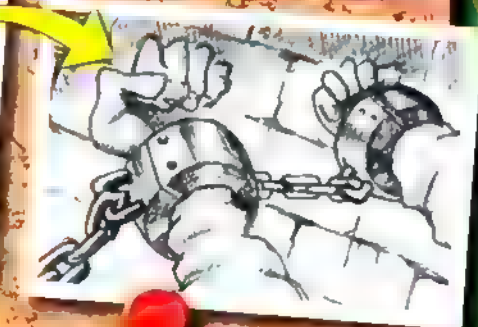

Answer below.

CONCEPT ART

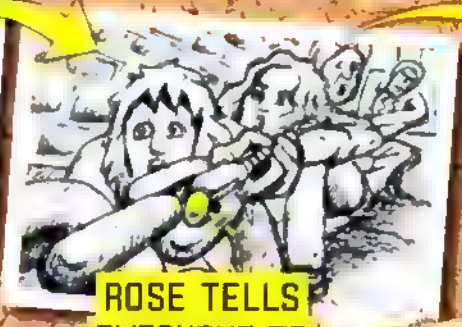

ROSE AND THE OTHERS ARE HORRIFIED!

THEY TRY TO BREAK THEIR CHAINS

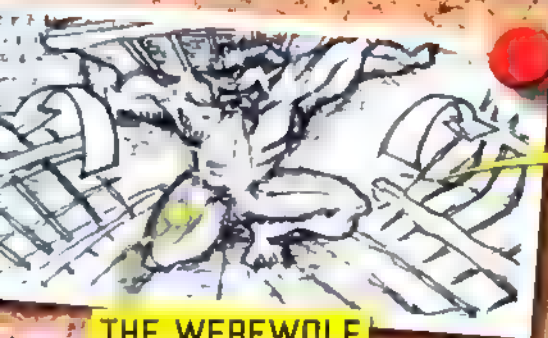

THE HOST'S BODY SHINES WITH LIGHT

ROSE TELLS EVERYONE TO PULL!

BUT IT IS TOO LATE!

THE WEREWOLF BURSTS OUT OF HIS CAGE!

RAAAR!

ANSWER: FALSE! The brethren monkey-monks garlanded themselves in it to stop the wolf from attacking them.

DOCTOR, DOCTOR!

Go on, ask me anything!

DO YOU HAVE A PROBLEM THAT NEEDS SOLVING? THEN ASK THE DOCTOR

ROCKING REGENERATION

Dear Doctor,
What was your favourite regeneration?

India
Maqsood

THE DOCTOR REPLIES:

I'm not sure that there is ever such a thing as a good regeneration. It's pretty painful, and it can be sad. And it really destroys your clothes. I liked hiding in the Teselecta when that was Doctor-shaped and had to put on a regeneration show, after being blasted by that naughty Astronaut. It was like the coolest fireworks show I have ever seen and I was right in the middle of it! I asked one of the Anti-Bodies to go and get me some popcorn, but they said I wasn't authorised. The cheek of it!

Jolly good show!

EGG-STREME!

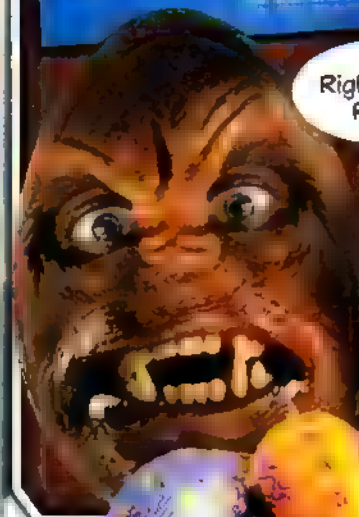

Dear Doctor,
Has an Easter egg ever tried to kill you?

Tim White

THE DOCTOR REPLIES:

Tim, Tim, Tim. Some people might think this question is a bit... well, a bit... definitely a bit quirky. But you and I know that Easter eggs will soon be a huge problem. It doesn't seem like it's Easter time, but these evil, green, chocolatey-smelling aliens tend to find a way to hide amongst the non-deadly eggs. The only way to defeat them is to eat them.

Right, erm. Run?

MAKE A SPLASH!

Dear Doctor,
In your swimming pool, do you have water slides? My local pool has four slides!
Isabelle

Who told the Silurians they could use my slide?

THE DOCTOR REPLIES:
Isabelle, I only have one slide, but it's huge! It starts by going upside down, inside out, then you slide a puppy down your back and even clean behind your ears. Now this slide is so long that it takes almost a full day to get down, so I'll reward you with light refreshments and a lavender scented pillow. It's rather impressive if I do say so myself!

THIS WEEK: RORY

Do you ever feel like the tin dog and have you got used to being a gooseberry?

Yes, Mistress.

RORY REPLIES:
[Faint, illegible text in a yellow box]
